

Fun & Interactive English Course for Kids (6–10 years)

3 days/week – 1 hour/day – 12 Classes (1 month)

Week 1 — Hello & Fun Basics

Class 1 — Meet & Greet

Greetings & Introductions

Saying name, age, feelings (How are you?)

Activity: Name tag craft + “Hello Song”

Goal: Kids feel confident to introduce themselves

Class 2 — Numbers Adventure

Numbers 1–20, counting games

Activity: Treasure hunt (find 5 red balls, 3 toys...)

Goal: Learn numbers naturally through play

Class 3 — Colors & Shapes Magic

Basic colors & shapes

Activity: Coloring & matching game

Goal: Describe objects: The ball is red. The square is big.

Week 2 — Family & Daily Life Fun

Class 4 — My Family

Family vocabulary (mother, father, sister...)

Activity: Draw and introduce your family

Goal: Simple sentences: This is my mother.

Class 5 — Daily Routine

Actions: wake up, eat, play, go to school

Activity: “Miming Game” (kids act out routines)

Goal: Practice I wake up at 7 o'clock.

Class 6 — Days of the Week

Days of the week + simple questions

Activity: Song & day matching game

Goal: Ask & answer: What do you do on Monday?

Week 3 — Food, Animals & Places

Class 7 — Yummy Food

Food vocabulary (apple, bread, milk...)

Activity: "I like / I don't like" tasting game (pretend)

Goal: Talk about preferences naturally

Class 8 — Animal World

Animals vocabulary

Activity: Animal charades & mini-story

Goal: Sentences like The dog is big. The cat is small.

Class 9 — Places Around Town

Vocabulary: school, park, shop...

Activity: Mini-map game with toys

Goal: Use prepositions: The ball is under the table.

Week 4 — Creativity & Review

Class 10 — Fun Review

Review colors, numbers, animals, food

Activity: Quiz game + sticker rewards

Goal: Reinforce vocabulary & confidence

Class 11 — Role Play

Practice short conversations

Activity: Pretend play: shop, school, park

Goal: Use simple sentences in context

Class 12 — Mini Project

“All About Me” poster: name, family, favorite food, favorite animal

Activity: Presentation to the class + show & tell

Goal: Combine everything learned creatively

◆ Results of the Children’s English Course (Ages 6–10) After One Month

After completing 12 classes, children will be able to:

1. Speaking & Communication

Introduce themselves simply: My name is ..., I am ... years old.

Express basic feelings: I am happy / sad / excited.

Talk about daily routines and simple aspects of their lives.

2. Basic Vocabulary

Colors & Shapes: Recognize and use them in sentences.

Numbers 1–20: Counting, distinguishing quantities, and playing with numbers.

Family & Friends: Father, mother, brother, sister, friends.

Animals, Food & Places: Use vocabulary from everyday life.

3. Language Skills

Form simple sentences: I like apples. The dog is big.

Use basic prepositions: in, on, under.

Understand and answer simple questions: What is this? Where is the ball?

4. Listening & Comprehension

Follow simple teacher instructions: Pick a card. Color the circle.

Understand short games and educational songs.

5. Creativity & Expression

Express themselves through drawing, short stories, and games.

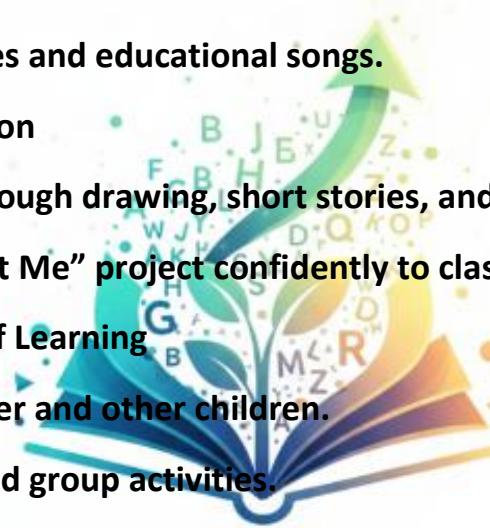

Present their “All About Me” project confidently to classmates.

6. Confidence & Love of Learning

Interact with the teacher and other children.

Participate in games and group activities.

Develop a love for English in a fun and engaging way
